Support to those affected by heavy rains and typhoons in 2022

Japan Renewable Energy Corporation (“JRE”) expresses its deepest sympathy to those affected by heavy rains and typhoons this year.

JRE made remittance to Mitane town in Akita and Morotsuka village in Miyazaki as donation from our employees and the company with our hope to be helpful to those affected.

Our employees also delivered relief goods to the municipalities of which our employees heard needs.

.

It is our hope and prayer that those areas will be restored to their normal situation at the earliest.
