ENEOS Renewable Energy Corporation

## Support to areas affected by record heavy rains in July 2024

ENEOS Renewable Energy Corporation (“ERE”; headquartered in Minato-ku, Tokyo; Kazuhiro Takeuchi, CEO) expresses its deepest sympathy to those affected by record heavy rains this year.

ERE made remittance to several municipalities in Yamagata as donation from our employees and the company with our hope to be helpful to those affected.

It is our hope and prayer that those areas will be restored to their normal situation at the earliest.
